

Welcome to Retter & Company

The Tri-Cities truly is a special area - a great place to raise a family, start a new business, continue your education, or retire. Residents enjoy the Tri-Cities' unique local flavor, excellent school system, virtually non-existent traffic congestion, low crime rate, annual precipitation of less than seven inches, diverse outdoor recreation opportunities, limitless regional attractions and affordable cost of living. The Tri-Cities is also proud to be at the heart of Washington Wine Country. We are the second largest wine producing region in the United States. Families have many housing choices, ranging from established neighborhoods to new-construction developments. Whether you have animals and love the rural life, or want to live next to a golf course, on the river, or near shopping and businesses, there is a home waiting for you in our community.
